So you want to be a vet?

So You Want to Be A Vet?

This website is designed to help those who are interested in veterinary medicine become familiar with what a veterinarian does, the examination process, different businesses that employ veterinarians, learning about animals and anatomy and, of course, let you play some really cool veterinary games!

College of Veterinary Medicine

What? An outreach website targeted to middle school students to inform and foster interest in veterinary medicine as a career.

Why? This website will increase and enhance the presence of Ohio State CVM members and alumni in the community and support outreach, recruiting and public speaking activities.

About the Program: The program includes the following components:

- 1 **Be the Vet** - Presentation of the case study
- 2 **What Do Vets Do?** - Presentation of all Veterinary Board Specialties and career choices in Veterinary Medicine
- 3 **Animal Part Games** - This audiovisual program introduces the anatomy of different systems of the dog via Drag and Drop interactive games
- 4 **Glossary** - This part is linked to the first two programs, and explains the meaning of specific scientific terms
- 5 **Tell us what you think!** - This is a questionnaire designed to get feedback from students who visit the website
